

ARE YOU KIDDING ME CAKE

It's freaking delicious! It's got almost a pudding-cake kind of consistency, lighter than pound cake. It's spotted on the inside with little pieces of peaches. The edges are crispy, like you would get on brownies.

Amazing. The cost of the ingredients is under \$6 and the cook time from prep to clean-up can be as little as 10 minutes. Also, you can combine cake mix and pie filling flavors to make tons of different creative cakes. Some interesting cakes to try in the future:

- Pineapple cake mix and blueberry filling
- Chocolate cake mix and cherry filling
- Yellow cake mix and cherry filling
- Yellow cake mix and blueberry filling
- Butter pecan cake mix and apple filling
- Yellow cake mix and apple filling

- Strawberry cake mix and blueberry filling

Are you kidding me?
