

# Choco Chip Cookie Pie Recipe !!!

So for me to post a pie recipe, this is one damn good pie. It's rich, decadent, and the filling tastes like the center of an underbaked and extremely chocolaty chocolate chip cookie. Goody perfection.

## Ingredients:

- 1/2 cup butter
- 1 cup brown sugar
- 1 egg
- 1 tsp. vanilla
- 1 cup flour sifted
- 1/2 tsp. baking powder
- 1/2 tsp. salt
- 1/8 tsp. baking soda
- 3/4 cup chocolate chips

# Instructions:

Melt butter in microwave safe bowl until melted. Let cool.

Add brown sugar, vanilla and egg – mix well.

Add dry ingredients gradually. Blend well, and pour into greased pie plate or 9×9 pan.

Sprinkle with chocolate chips and bake at 350 for 20-25 minutes.
