In a pan, arrange the sausage, potatoes and peppers and place the butter over the top in small cubes. Drizzle with olive oil and season on top.

Bake covered for 40 to 50 minutes.

Bonne Appétit!

Simple, easy and yummy! I sometimes make this with veggies, carrots, zucchini, broccoli and some cheese over the top, it goes really well with the seasonings. I don't love sausage very much so I make this with ham! Give it a try, you will love it!
