

# Spanish style cabbage..sooooo good!!!!

Spanish Style Cabbage is so easy to make and tastes great! Kids not a fan of cabbage? They are sure to love this recipe! The taco seasoning and rotel gives it lots of yummy flavor! You can also add peppers, onions, mushrooms or anything else you like to this! I love to double this recipe and have leftovers for the next day! Makes a great low carb lunch. Freezes well also.

My husband just loves this and my family...the cabbage makes it real healthy.. plus you can add a 16 oz frozen corn...I do that all so. ..one hubby favorites...

## **Ingredients:**

1/2 head of cabbage chopped
