

# THE PERFECT ICEBOX CAKE

## Ingredients to Gather

2 (5.1-ounce) boxes instant vanilla pudding mix  
6 cups (1.4 liters) milk  
1 (14.4-ounce) box graham crackers (approximately)  
1 (8-ounce) container Cool Whip

## Directions to Follow

*In a large bowl, whisk together the pudding mix with the milk for 2 minutes. Set aside for 5 minutes to thicken.*

*Line the bottom of a 9×13-inch pan with graham crackers (you may need to use halves or quarters to fill in spots).*

*Spread half of the pudding over the layer of graham crackers. Add another layer of graham crackers on top of the pudding, then spread with the remaining pudding. Top with a final layer of graham crackers and spread the Cool Whip evenly over top. Crush 1 graham cracker into crumbs and sprinkle over the Cool Whip.*

*Cover and refrigerate until cold and set, about 3 hours, or overnight.*
