

THE TOILET ALWAYS SMELLS FRESH AND STAYS CLEAN. ALL YOU NEED IS...

Tired of cleaning the toilet in vain? I have an effective method...

– Cleaning the toilet is a very basic task; but sometimes it gets too tired to clean it But I have a method that will facilitate your task and will simply use it without much effort .

From there, you can save on your money by wasting it in expensive detergents .

– In this context, I am going to show you an easy way to make a detergent yourself in your home that makes your toilet smell beautiful and fresh .

* Y'll need just :

- Hydrogen peroxide
- drops of Fragrant oil
- Lemmon juice
- Baking soda
- Vinegar

* Method :

1 – In a small bowl , mix lemon juice and baking soda . In another bowl, blend hydrogen peroxide and vinegar . Then add it to the first mixture . Finally add an essential oil to create a beautiful scent .

2 – Pick a spoon and make a few half-ball shapes and put them on some parchment paper to a , thrid . the more you let it dry,the better .
